Go Green For The Future

Namaskaram !

Welcome to The Queen of Arabian Sea

Nestled on the southwestern coast of India, Kochi, also known as Cochin, is a vibrant metropolis that seamlessly blends its rich historical heritage with modernity. Renowned for its picturesque landscapes, cultural diversity, and thriving trade, Kochi stands as a testament to the harmonious coexistence of tradition and progress. We welcome you to savour the unique tapestry of Kochi's past, present and to enjoy a fulfilling academic experience.

After the resounding success Of AOICON 2024 Bangalore, it's now the turn of AOI Cochin in association with CSOM, to host the AOICON 2025. With great pleasure, we solicit your esteemed presence, blessings and participation for this event to be held on the 9th, 10th, 11th and 12th January 2025 at the Hotel Le Meridien, Kochi.

We are striving hard to offer you a sumptuous academic feast, mouth watering cuisine, rocking entertainment and loads of fond memories to take back home. This year the stress would be on 'Experiential learning' with numerous hands-on sessions. Also, we are planning "Mummy and Me " sessions to keep the registered spouses and children engaged. Kochi often referred to as 'The Queen of Arabian sea' and Kerala, the 'God's own Country' are the favourite tourist destinations for tourists from within and outside the country. The all pervading greenery, bustling backwaters, picturesque landscapes and monuments announcing it's rich historical and cultural heritage have lured many from far and wide. Kochi is well connected by road, rail and air and January falls in the peak tourist season of Kerala. We would advise you to plan your vacation with your family and make your reservations well in advance .

So, come, enjoy and have a bewitching experience – Chalo Kochi!

Venue : Hotel Le Meridien, Kochi

AOICON 2025

Annual Conference Of The Association of Otolaryngologists of India

Unlike traditional events, our conference stands out due to its innovative approach, fostering interactive sessions, and cultivating an environment that encourages meaningful networking. We aim to transcend the ordinary, providing an unparalleled experience where participants not only gain knowledge but also actively engage and collaborate, making this event truly exceptional. We are looking forward to breaking new frontiers together.
